

Father, we come in prayer
to witness to Your love,
to make two hearts as one.
Father, we give ourselves to You,
we give our lives anew for all time.

*Wherever you must go
I'll be always at your side.
Wherever you live you'll find me there,
for your God is mine.*

Jesus, we ask Your help
to conquer for all time
the darkness in our land.
Jesus, where we live You live too,
unite our hearts with You in Your love.

Spirit, we feel Your pow'r
Your presence in our hearts:
be with us in each day,
Spirit, may we be one in You,
make all we say and do give You praise.
