

*It's me, it's me, it's me, O Lord,
standin' in the need of prayer.*

Not my brother or my sister, but it's me, O Lord,
standin' in the need of prayer.

Not my brother or my sister, but it's me, O Lord,
standin' in the need of pray'r.

Not my mother or my father, but it's me, O Lord,
standin' in the need of prayer.

Not my mother or my father, but it's me, O Lord,
standin' in the need of pray'r.

Not the stranger or my neighbour, but it's me, O Lord,
standin' in the need of prayer.

Not the stranger or my neighbour, but it's me, O Lord,
standin' in the need of pray'r.
